SIR,

With reference to G.O. no 2527W dated the 28th August/96, I have the honour to inform you that except in the Godavari Eastern Division there was no expenditure. Two reminders and a telegram were sent by me on the dates noted in the margin to the Executive Engineer Eastern Division and whose return was not despatched till the 8th August/96, to the Superintendent of Public Works stores direct.

2. The Executive Engineer in his letter no 2652 dated the 18th Instant copy enclosed attributes the delay to the inefficiency of the Storekeeper of the Government Workshops Dowlaishweram. I cannot but regard this explanation as far from satisfactory and I have informed the Executive Engineer accordingly. This return should have been submitted so as to reach this office by the 5th July last and he should have arranged

30th June/96.
29th July/96.
6th August/96.
