GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following papers:—

Proceedings of the Board of Revenue (Land Revenue), Mis. No. 4315, dated 19th September 1896.

Read—the following letter from G. W. DANCE, Esq., Acting Collector of Malabar, to the Secretary to the Commissioners of Land Revenue, dated 10th September 1896, Ref. on C. No. 2214-P. 96:—

The District Press office is now held in a portion of the old Huzur buildings. As the roofing was reported to be in a dangerous condition, the Treasury Deputy Collector requested the Executive Engineer to have the building inspected.

2. He has reported that "the roofing of the building is in a bad condition, the reapers being mostly rotten. The planked ceiling which, with the joints over the walls and pillar that support it, is very heavy and clumsily put up, is also in danger of giving way in some places." He recommends that the whole roof may be renewed with Mission tiles over cedar wood planking, and requests that, as the work will cost considerably more than Rs. 500, the sanction of Government may be obtained for the preparation of the requisite estimate.

3. I have the honour to request, therefore, that Government in the Public Works Department may be moved to issue the necessary orders.

Resolution—Mis. No. 4315, dated 19th September 1896.

Submitted to Government with the recommendation that orders may be issued in the Public Works Department for the preparation of an estimate for renewing the roof of the District Press office, Malabar.

(True Copy and Extract.)
