GOVERNMENT OF MADRAS.

READ—the following paper:—

Office-note from the Examiner, Public Works Accounts, dated Madras, 19th September 1892, No. 204 A.

[Appointment, promotion and leave of Accountants.]

Under Madras Code, paras. 142 and 143, the Examiner was vested with the power of appointing as accountants, 5th (now 8th) grade, either permanent or officiating, men who had passed the prescribed examination; under para. 160 he had full power to promote accountants, and under para. 556 D he had full power to grant leave of all kinds to them; but as that code is no longer in force, I beg to inquire whether Government desires to make any change in the Examiner's powers. I may add that I am perfectly willing to submit every case of appointment, promotion or leave for the orders of Government, an instance of which will be found in the correspondence that led up to the issue of G.O. No. 2555 W., dated 14th September 1892.

2. In the matter of promotions beyond the present 4th grade (Rs. 200), it will now be necessary for the Examiner to obtain the previous approval of the Accountant-General, Public Works Department (*vide* Government of India Public Works Department Resolution, No. 171 A.E., dated 16th August 1892) so that his undivided selection of accountants for advancement will practically be restricted to the present 4th grade.

ORDER—dated 29th September 1892, No. 2706 W., Public Works.

The rules laid down in the Government of India Code should be adhered to.

2. As regards promotions, the first part of para. 88, Chapter I, as limited by the resolution of the Government of India, No. 171 A.E., dated 16th August 1892, should be acted on. All promotions of accountants will accordingly be made by the local Government on the recommendation of the Examiner, nominations to vacancies in a grade above the fourth being made after consultation with the Accountant-General, Public Works Department.

3. First appointments will be made in accordance with para. 48, Chapter I of the Code.
