To

THE CHIEF SECRETARY TO GOVERNMENT.

SIR,

Enclosures. /

In returning Mr. Francis' Endorsement No. 140 dated 18th January 1896, I have the honour to state that there is no one in this Department who is capable of making the copies of Plans required by the Punjab Government. Although the Cuddalore Jail is being built by this Department, all the Plans, as well as Estimates were prepared in the Public Works Department and there is no draughtsman of any kind now employed at Cuddalore. In these circumstances I would propose, if no copies of the Plans exist in the office of the Executive Engineer South Arcot, that the Plans should be sent over to the Executive Engineer one at a time to be copied and returned.

I have the honor to be,

Sir,

Your most obedient Servant,

A. G. Cardew
