Letter from the Supt. Engr: Second circle (H.A. NO: 80.C. dated 25th November/95)

Note by the Chief Engr: for Irrigation -- (H.A. NO: 252 I. dated 13th Decr: 95)

No 252 I

At present there are two T.R.S.

parties working in the Sixth circle in the Madura and Tinnevely districts & in the Madura district the balance of estimates available for execution exceeds Rs 2,00,000. There is, therefore, no immediate need for further investigation in that district and it is considered that the Party may be transferred at once to Nellore where the minor irrigation works are very numerous and are reported to be in exceedingly bad order.

2. The Superintending Engineer, 11 circle and the Collector of Nellore propose that investigation should be commenced in the NO: 45 Kunduleru or Venkatagiri River basin and the Chief Engineer for Irrigation supports their recommendation.

ORDER THEREON: No: 29 of 3 January 1896

The proposal of the Chief Engineer for Irrigation is approved.

NO: 1 Party, T.R.S. will at once proceed

proceed to Nellore for the investigation of the Venkatagiri river basin.
