Sir,

With reference to S.O. No. 2844 W, dated

you that extract of para 10 of the order
about to be issued in the Judicial Depart-
ment has been forwarded to the Executive
Engineer, West Coast Division, for com-
munication to Mr. Paterson. I have
read this extract carefully more than
once but owing to the somewhat involved
wording I am not quite sure what the
"road in question" referred to is, which Mr.
Paterson is to survey. I have accordingly
directed Mr. Paterson to place himself
in communication with the Collector
and ascertain from him the line
which

which is to be surveyed.
