Sir

As a rule Contractm are igno-
-rant of what standard specifications

are and though they bind themselves
in their agreements to do the work ac-
-cording to standard specifications
this becomes only a dead letter if they
are not supplied with the standard
specification book of course at
their cost. As Periyar & Kodaikanal
are hill stations where it becomes
necessary for Contractors to depend
more on the help of this book than
wait for instructions from the over-
-sight I had to issue one copy
of specification and appendix to
Mr. Johnson for Contractor & Co. at
Periyar and another to Mr. N. N. N.
Mistry Contractor for Police station,
Kodaikanal. To my other Contractors
should also have with them Stan-
-dard specification book for pro-
-per execution of work they &
request that I may be supplied with
books as follows: -

8 books of Standard Specification P.W.D.
2 books of appendices A to H.
