Endorsement of the Public Works Department No.3444 C dated 12th November 1895, on letter from the Superintending Engineer Second Circle, No.431 N.L. dated 31st October 1895

From the Inspector General of Registration G.No. 4271 dated 11th December 1895.

Adverting to Government reference No.2829, Judicial, dated 25th November 1895, herewith returned, I have the honor to state that there is no objection to the Deputy Tahsildar's office at Venkatagiri being extended so as to provide accommodation for the sub-registrar of the station and his establishment and records.

2. In reference to paragraph 4 of the Executive Engineer's letter I beg to state that the sub-registrar is not in charge of any treasury at Venkatagiri as the treasury at the station was abolished under G.O.No.184 Revenue dated 6th March 1894.

Order No.89 dated 15th January 1896.

Approved and transferred to the Revenue Department.

2 G.O.No.1724, judicial, Mis, dated 17th August 1895, is hereby cancelled.

Letter from the Executive Engineer,
Mylapore Division, to the Superintending
Engineer, Circular, No. 304 S.E. of 25th Octy 95

With reference to your No. 371 N.L.,
dated 4th Sept. 1895, forwarding
G.O. No. 2,166 W, dated 30th August, 1895,
regarding the erection of a Sub-Registrar's
Office in Venkatasagiri, I have the honour
to ask if it will not suffice to extend
the Deputy Tahasildar's Office at Ven-
katasagiri and thus provide room for
the Sub-Registrar.

2. This course was pursued at Salur
and Kota (G.O. No. 457 W, of 14th May, 1895).

3. The cost would be the same, and a
new site would be required.

4. The Sub-Registrar is in charge of the
Sub-Treasury during the absence on
tour of the Deputy Tahasildar.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Surgeon General, Madras
of 9th December 1895, No 549.

With reference to paragraph 6 of
G.O. No 722, Public, of the 30th August 1895,
I have the honour to submit a sketch
plan of the existing quarters of the Resident
Surgeon, which the Consulting Architect has
kindly prepared for me after
personal consultation between us and
the Senior Medical Officer of the
General Hospital at the quarters.

It shows how the building
can be divided so as to afford accom-
modation for two officers with very small
additions, viz: five doors, four partitions
a stair case, blocking up one door, an
additional stall to the existing stables and
two servants houses. The approximate cost
of this the Consulting Architect
estimates at Rupees 1,200 for the house
alterations.

Office Note from the Public Works Department, dated 6th May 1895
No 3340.

Letter from the Surgeon General, Madras, dated 6th September 1895
No 366.

With reference to Memorandum No 1187 dated
the 1st June 1895, Judicial, I have the honor to forward herewith
two estimates from Messrs. Ostheider & Co. Engineering Contractors,
for Rs. 2570 and Rs. 3180 respectively. The former provides for
levelling floor with mud and bamboo doors and the latter for
flooring with concrete and teak-wood doors—the amounts under
other items being equal.

2. Messrs. Ostheider & Co. are of opinion that palmyrah
rafters with teak keeper and the ordinary tiles are the best
for the toty lines and cooler than all other pitched roofs
and therefore do not recommend tiles over corrugated iron
sheets on the ground that the expense would be great and the
sheets spoilt.

3. In this connection, I may state that when huts for the
Native attendants of the asylum were erected in 1893 by the
Public Works Department, the cost per hut amounted to Rs. 155-12-9;
as 20 huts are now required and the cost of construction by the
Public Works Department is cheaper than the contractor's
estimate, I recommend that the work be undertaken by that
Department.

November 1895 Nos. 463 and 524 respectively.

From the Public Department.

NOTE BY TECHNICAL SECTION.

Name of work Continuing additional stables

Coach house & godowns to the Resident Surgeon's quarters at the General Hospital, Madras.

Amount of Estimate Rs 1225.

The plans & estimate under review are merely approximate & provide for constructing additional stables & coach house at a cost of Rs 237 & godowns at Rs 888 to the Resident Surgeon's quarters at the General Hospital, Madras.

A tracing plan is also forwarded to show how it is proposed to accommodate both the Resident Surgeon & Physician in the existing Resident Surgeon's residence, partitioning the building, providing extra doors & a new staircase. These additions, it is estimated at a cost of Rs 1200 for the combined residence.

The plan & estimate can be examined for want of measurements sheets & sections of the proposed additions.

Alterations and Rupees 1225 for the stall and servants' quarters, rough plan and estimate of which are attached. This sum appears small to ensure each officer having a separate unit such as he would be entitled to under Military Regulations. If they choose to mess together, the house will be even more comfortable by those using the large rooms in common and the present proposals, if carried out, will in no way interfere with that.

Order: - No 11, d 7 January, 1896.

The plans and estimates are approved and will be transferred to the Public Works Department for further consideration.
