READ—the following paper :—

From N. F. MACKENZIE, Esq., Under Secretary to the Government of India, Public Works Department (Civil Works—Buildings), to the Secretary to the Government of Madras, Public Works Department, dated Simla, the 8th October 1896, No. 419 B.

In acknowledging the receipt of your letter, No. 2498 W., dated the 27th August 1896, forwarding a statement showing the reductions it is proposed to make in the rent of certain buildings in the West Coast Division, I am directed to communicate the following orders and remarks.

2. *Store-shed at Malapuram partly used as Overseer's quarters.*—Under Public Works Department Code, Volume I, Chapter X, paragraph 31, the Local Government have power to reduce the rent if it is practically compulsory on the subordinate to occupy the quarters. If, however, they are occupied from choice, the Government of India consider that there are no sufficient grounds for reducing the rent chargeable to Upper Subordinates.

3. *Warders' huts in the late District Jail and Deputy Postmaster's quarters at Mangalore.*—In the case of these buildings, the Government of India are pleased to accord sanction to the reductions proposed.

4. I am at the same time to suggest that in all three cases the propriety of selling or dismantling the buildings may be considered, as it appears to the Government of India to be open to doubt whether the buildings are really required for Government purposes or, at all events, whether Nos. 2 and 3 are so required, and I am also to point out that the reduced rents hereby sanctioned will not suffice to cover the estimated cost of the annual repairs.
