To

The Chief Engineer P.W.D.
General, Building Branch
Madras.

Sir, I have the honor to bring to your notice that Supervisor Viswanatha Syyr, by his transfer to the special work on which he is now engaged, is a loser in that he gets no sub divisional charge allowance and has to travel over a greater area than before. His present work is of a very responsible nature, so much so that the Collector in writing to me recently on the subject expressed the opinion that an officer of higher standing than a supervisor should have been employed on it. Under the circumstances, I request that Mr Viswanatha Syyr may be allowed to draw sub

Sub-Divisional charge allowance or
that he may be promoted temporarily
to the next higher grade.

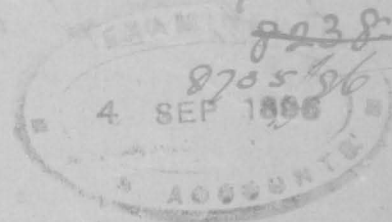

I have the honour to
Sir,

servant

To W.

Under Code I. I. 39, sub-di-
visional allowance can only be grant-
ed to an Upper Subordinate who has
definite charge, directly under an Ex-
ecutive Engineer, of duly authorized
sub-division. If Govt. considers that
a case has been made out for authoriz-
ing a sub-divisional charge, the al-
lowance can follow. The alternative
recommendation of the Supg. Engineer to
promote the Supervisor temporarily to
the next higher grade is a matter which
depends upon a vacancy existing.

To

The Chief Engineer

General Buildings Branch
Madras.

Sir,

With reference to your No 3365.C dated 18th September 1896, I have the honor to state that Upper Subordinates holding charge of Sub-Divisions are allowed the usual Sub Divisional allowance only in consideration of the responsible and extended nature of work they have to do.

In case of Supervisor Mr H. C. Viswanatha Esq., the work he has to do is as responsible as that of a Sub-Divisional officer, and extends over the whole of the Cauvery Delta.

I would, therefore, submit that a sufficient case is made out to constitute the Supervisor's charge a Special Sub Division attached to the Tanjore Division, as the pay, allowance &c of this Special establishment are all drawn in that Division only.

I have the honor to be,
Sir,

Yours most obedient Servant

A. W. Smart
