ECCLESIASTICAL DEPARTMENT,

Madras, 17: September 1896.

No. 3097

From

THE VENERABLE W. WESTON ELWES, M.A.,

Archdeacon of Madras,

To

The Honorable
The Chief Secretary to Government

Sir,

I have the honor to report for the information and Orders of Government the Church of Holy Trinity, Bellary, is reported to be in a dangerous state. "A timber beam in the body of the Church is broken and may come down at any time if accidentally loaded" the side beam in the portico is rotten and the masonry walls &c on portico are in a dangerous condition."

2- The Church is one of those repaired through this Office but the state of the Church does not seem to have been known to the late Chaplain of Bellary when he sent to me his Estimates for the repairs that he considered would be necessary during 1896-97.

3- Owing to a mistake on the part of the present Chaplain he applied to the P.W.D. without permission to make an Estimate. The amount of the Estimate is Rs 579. Being above Rs 500 it requires the sanction of Government, but being below Rs 1000 the repairs would usually be carried out departmentally.

4. The nature of the repairs are however such
that I think it would be advisable if Govern-
ment should be pleased to sanction the
repairs being carried out & that they should
be carried out by the P.W.D.

5- I have the honor to request Govern-
ment will be pleased to inform me whether
this sum should be included in a sup-
plemental Estimate which I shall probably
have to send in this year to Government
or whether the sum will be otherwise provided
for. —

I have the honor to be,

Sir,

Your Most Obedt. Servant,

H. Wesley Elwes
