Judgment in C.C. 366 of 1895 dated

11. 11. 95.

Complainant - Regina

Accused - Barla Appadu

Offence: Theft by a Servant in respect of the property in the possession of his Master under Sec. 381 I.P.

Finding: Guilty.

Sentence: To undergo a sentence of whipping of 18 lashes on the posterior with a light rattan.

The Station House officer of Bezwa town charge sheeted the accused for having dishonestly removed a log of wood from the P.W. Work shops on the night of 14th November 1895 at about 8 P.M. Four witnesses have been examined for prosecution. The 1st witness is the Assistant Engineer who stated that when he came out after meals his servant the 2nd witness

stated that the prosecution 1st witness
concocted this case against him on
account of old grudge which he bears
against him. The Vakil on behalf
of the accused recalled all the
prosecution witnesses for cross exami-
nation but could not elicit any
thing which would then to show any
enmity between the accused and
Prosecution witnesses. Two witnesses
have been examined. They stated that
the accused and themselves were
kasears under Prosecution 1st witness
that he (Prosecution 1st witness)
used to treat them kindly, that
when he ordered to do some menial
service they gave an arzi against
him (Prosecution 1st witness) that
in consequence thereof they (the two
defence witness) were dismissed
from service, that when the arzi

was sent for enquiring the accused
denied all knowledge of having written
the arzi, that even after the submis-
sion of this arzi the Prosecution 1st
witness treated him kindly. The defence
evidence instead of showing that
the Prosecution 1st witness was on
enimical terms with the accused
proves that he was on friendly terms
with him. The defence evidence
does not assist the accused in
explaining away the offence which
has been satisfactorily brought
home by Prosecution evidence. I
therefore find the accused guilty.
Taking into consideration the age
of the accused and the value of
Property stolen which is hardly
more than Rs 200. I sentence him
to undergo whipping of 18 lashes
on the posteriors with a light

ration in front of the salary catching
this day at 5.30 P.M. The log should
be handed over to the Prosecution
1st witness after the appeal time
is over.
