Sir,

Enclosures.

With reference to your Memorandum
No. 3294 bis dated the 18th July 1896 I have the
honour to state that there are several items
which come under the head of "Original
Works" and as the cost will exceed Rs 500 I
request that you will kindly obtain the
sanction of Government for the preparation
of the Estimate.

Enclosures.

With reference to your circular No. 1579 of
the 25th instant I have the honour to state
that the items which will be placed under
the head of "Original Works" are as follows:

U.P. 31944
18-7-96. Boards list No (10) The Verandah to the
West of the Secretary's room being roofed
with Mangalore tiles, it is unbearably hot
in the hot weather it requires boarding
inside.

(12) Board's Office generally
(12) Iron railings are required round
the Verandahs on the ground floor so as
to prevent strangers interfering with
the Office business, and also to reduce to
a minimum the risk of papers being
passed out of the Office at the side
doors

doors."

(13) Bells should be provided for storing waste papers pending removal in accordance with the Government of India, rule 9 of the rules for securing the fire protection of Offices G.O. No 674 dated 17 March 1896.

These works will probably cost about Rs 3700 the sanction of Government is therefore necessary for the preparation of estimate.

If the bins for waste paper are not fixtures the cost of the same should be met from your Office contingencies, I would then suggest that instructions may be forwarded as regards size, shape & for making them. They can be satisfactorily executed at the P.W. workshops and the same pattern introduced in all the P.W. Offices requiring them as bins for depositing waste paper are much needed.
