2. In his letter, No. 3578, dated 21st November 1895, to this office, the Executive Engineer stated that this building was constructed on Government land; it is therefore not clear why the entry of Rs. 21 was made in column 8. If it represents the actual outlay incurred by the State on such land, the same may be included in the Capital cost of the building, Code volume I, X, 28-I (a).

3. The revised rent, when approved by Government, should be recovered from the date on which notice of the same is served on the tenant.

No. 1141 T.N.

Resubmitted to the Chief Engineer, Public Works Department, with intimation that the land in question forms a portion of that purchased for the old cantonment. The exact amount paid is not known from the Taluk records, but the Tahsildar of Tinnevely values it at Rs. 21.
