Ref. Rg. No. 2578 of the 18th Instant

Sir,

I beg to report that while halting at Lohagudi I maintained 4 coolies as tent lascars as it was very difficult to obtain coolies when required to carry the tent about in addition to this a country cart on bullocks 15.0-0 per month was always maintained at the foot of the hill to be ready in case of emergency. Besides these, I had of course two ponies and syces with me.

I am &c.
