Note

The two works referred
to in C.A.'s letter have to
be sanctioned as supplemental
to the estimates aggregating
Rs 5578 sanctioned in L.O.
No 2744 W of 25th September 1896.
under para 1 of L.O. No 1954 W
of 7th August 1896. The works
being for petty additions and
improvements, the C.A. has
not, presumably, submitted
the estimates, and the sanction
of Govt has been applied
for to avoid the technical
objection as the first sanctioned
estimate is classed as "major"
and beyond his powers of sanctioning.
The draft submitted may be
passed if approved.

An allotment is also
proposed for the works.
