O R D E R:-No.635, dated 9th October 1896.

The hostel in question is not to be constructed from public funds but is to be erected from public subscriptions to which Government has made a grant-in-aid in the Educational Budget. Paragraph 3, Chapter VI, Volume II of the Public Works Code does not therefore appear to apply to the case, which seems to be governed by paragraph 79(b), Chapter IX, Volume I of the Code.

2. No reference to the Government of India is thus, in the opinion of Government, called for.
