No. 1944 Kt

II CIRCLE,

Dated 20. October 1896.

From,

Majr W. L. Daddley Esquire, R.E.
Superintending Engineer,
II Circle

To,

The Chief Engineer,
P. W. Department,
Madras.

Encl. 2/1 Encl Sir,

I have the honour to forward herewith for your approval and sanction of Government an estimate amounting to Rs 8,685 for the manufacture of Sarki Mortar for 1896-97 in the Krishna Northern D.

2. The manufacture estimate is within the stock limit of the Division and therefore, it has been approved by me with reference to para 127, Chapter I, Vol II of Government of India Code, but the Examiner in his objectionable items statement for July 1906 requires a register No to be given to the estimate. I am of opinion that according to the Code rule quoted it would be

for the estimate to be ap-
 proved by me, but as
 the Examiner requires
 a definite sanction and
 register number I am
 obliged to forward
 the estimate for the sanction
 of Government.

From,
 The Superintending Engineer,
 II Circle.

{ P. W.
 DEPT.

EXAMINER, P. W. ACCOUNTS,

Madras, 2nd November 1896.

OFFICE NOTE No. 3282 J.A.

To

W.

Your O.N.No. 3725 C. dated 26th. Octo-
 ber 1896.

The item in question was
 reported as objectionable under " Want
 of Estimate" in the Divisional O. I.
 statements for May, June and July 1896.
 In the Divisional O.I. statement for May
 1896 received after that for June was
 despatched the Supg. Engineer stated
 that an estimate had since been receiv-
 ed and approved by him with reference
 to para 127, chapter I, Volume II of the
 Code.

2. In the Divisional O.I. statement
 for July it was pointed out that the
 Code rule quoted by the Supg. Engineer
 limits the amount that can be accepted
 to the reserve stock limit sanctioned
 for the division, and as the amount of
 estimate was nowhere given, and the
 estimate had not appeared in the Supg.
 Engineer's monthly return of sanction-
 ed estimates for the circle, the amount
 of the estimate and the Register No. it

was stated were awaited by this office.

3. As the Supg. Engineer has approved of the estimate, under the Code rule quoted, sanction of Government is not necessary, and all that is required is that the sanction should appear in the monthly Return of sanctioned Estimates of the Circle.
