Staff Sergeants quarters at Cannanore: Taking into consideration H. E. the Lieut-General supports the proposals of the Commandant Malabar Volunteer Rifles to pay rent at Rs 5 per mensem for the —

and Store room, by the Malabar Volunteer Rifle corps, and that by oversight in the Executive Engineer's office, it was not included in the monthly register of buildings rented and available for rent. The fact that no rent was being recovered from the Corps for the accommodation occupied as an armoury office and store room thus came to notice only recently. The Sergeant Instructor is entitled to free quarters, and the normal rent of the portion of the building utilised as an armoury &c, is calculated under P. W. Code rules at Rs. 21 per mensem. The Commandant of the Corps however represents that as house rent at Cannanore is very cheap, a suitable private building for all his requirements, including Sergeant Instructor's quarters, could probably be obtained for Rs. 15 per mensem, and he requests that a nominal rent of Rs. 5 per mensem be charged for the portions used as the armoury, office and Store room. This proposal is supported by H. E. the Lt. General Commanding the Forces, and I am to recommend it for the sanction of the Government of India. I am also to request sanction to the remission of rent for past occupation. I have &c

Sir

With reference to the attached Correspondence, I have the honor to intimate that Subject to the Approval of the General Officer Commanding, I now propose to remove the Arms from the Forts to the place in the Sergts Instructors Quarters where they were previously kept and which is in my opinion a safe and Suitable place

My reasons for this are as follows

The Fort entails a Minimum Escort of 1 Sergt 1 Corpl & Ten Volunteers of one mile and this is increased to two miles when firing is going on between the Barracks and the Fort

Much dissatisfaction has been Experienced in the Company on this account

And I am decidedly of Opinion which is shared by Capts Tomlinson and Capt Moberly that the Arms should now be Removed to the old place, when the Change to the Fort was made (at the Suggestion of Colonel Fennick Commdg the Station) I was advised that the

The G.O.C sanctions the removal of the
arms from the room in the Fort to the
place in the Sergeant Instr. Quarters in which
they were formerly kept; but as the room
in the Fort has been used since August
1893 the Question of rent for which period
must still be settled and a definite reply
is therefore requested to Q.M.G. No 673 M.W. of
