Establishment.

READ—the following paper:—

From W. B. DEWINTON, Esq., Superintending Engineer, III Circle, to the
Chief Engineer for Irrigation, dated Nandyal, 16th November 1896, No. 5 C.

I have the honour to request that you will be good enough to transfer the services of the Tank Restoration Scheme party, now serving at Ráyachóti, in Cuddapah district, to the Executive Engineer, Cuddapah division, for preparation of estimates for the following three works in Ráyachóti taluk, which form part of the famine programme for the district, and which may be shortly required for famine relief :—

	RS.
(1) Excavating a supply channel from Suddamala Vunka to feed Bramanayerragudi and other tanks	15,000
(2) Constructing a tank on the course of the Chinna Yeree within the limits of Galivedu	30,000
(3) Constructing a tank near Gorlamudivedu	80,000

2. I know of no papers in connection with these works, but I hope to be at Ráyachóti on 28th instant, and will then give instructions concerning them.

3. The ordinary work of the party had better, I think, be suspended *pro tem.*, so that the Executive Engineer may utilize their services exclusively for famine relief.

No. 88 E.W.

Forwarded to the Chief Engineer, Public Works Department, with the request that the transfer proposed by the Superintending Engineer, may be sanctioned.

17th November 1896.

(Signed) W. HUGHES,
