Proceedings.

I have the honor to submit for sanction of Government an estimate amounting to Rs 13,392 for restoring the old famine road from Chowdapalli to Royalpatt in the North Arcot District, with the recommendation that the large lump sum of Rs 6896 therein allowed for masonry work be cut out pending submission of plans and estimates.

The President of the District Board states that this estimate is intended to provide labour to the people of Pungamur Division where the season has become bad and the outlook is threatening, and that the matter may be looked on as specially emergent
