ENCLOSURES. |

Sir,

I have the honor to Submit
an Estimate for Rs 80- for providing
the lascars and Watchman at Thekad
with warm clothes for one year, and
to recommend that it may be sanctioned
2. I have appointed 6 fairly efficient
men as lascars, but they are not quite
of the class that I hoped to secure, and
when, after a short time, the comparative
civilization of the Periar & Thekad
has disappeared, and the men begin to
feel their isolation, it is probable that
there will be still more difficulty in
getting men to stay who are qualified
for the Work required for them.

St.

1. It is therefore with a view to diminish
the discomforts of the situation for them
2. that I think it would be well to
supply the men with warm clothing.

I have the honor to be
