PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Inspector-General of Police, No 4279, dated 30th October 1896:—

I have the honour to solicit the sanction of Government for the reconstruction of the European Head Constable's hut at Kurnool now vacant to adapt it as quarters for the Reserve Inspector of Police there.

2. This hut forms a portion of the military lines *General Order* handed over to the Police under G.O., No 1638, Public, dated 15th December 1870. Having been condemned by the Executive Engineer as unsafe and unfit for occupation, it was vacated by the European Head Constable in 1893. The Sub-Divisional Officer, P.W.D., Kurnool Division, considered that it would be a useless expenditure of money to attempt to do anything to this building in the shape of repairs—Vide copy of his letter No. 250, dated 15th January 1891, to the Executive Engineer.

3. The present Reserve Inspector lives in a rented Mussulman building which does not suit his requirements. A decent house is not procurable for him in the town and as it is important that he should be near the Reserve lines in case of any sudden emergency, I think it is necessary that he should be properly housed and the best plan of doing this would be by converting the late European Head Constable's hut into quarters for him. The probable cost will be Rs. 1,750.

Manis

for Chief Secretary.
