Sir,

Under Sanction Conveyed in G.O. No 825 Revenue,
dated 14th September 1893, Communicated with
Board's Proceedings No 5752 Misc, Land Revenue,
dated 16th October 1893, the head-quarters of the
Deputy Tahsildar and Sub-magistrate newly
introduced at Devacottai in 1892 was transferred
to Paramagudi on the 1st April 1894, and, as there
is no Government building available there,
the office has been located in a private build-
ing hired at a monthly rent of Rs 8-8-0.

2. The building is naturally incommodious not having been specially designed for a public office. The Treasury chest is kept in the Police Station at a short distance from the office for want of proper accommodation and the officials

officials are put to much inconvenience on this account. Two insecure low buildings, of which one (in front of the Police Station) has a thatched roof and the other (inside the Police Station) a tiled one, constitute the Sub Jail. Strong objection has been taken to lodging prisoners in these buildings by the Police and the Head Assistant Magistrate, and proposals for a pukka building to be constructed for the Sub Jail were urged by them.

3. As the Deputy Tahsildar too is in want of a proper building for his office, I called for proposals to construct a new Deputy Tahsildar's office with Sub Jail wards attached. The Head Assistant Collector reports that, of the several sites proposed, one closely adjoining the District Munsif's and the Sub Registrar's office buildings (these are Government buildings) would answer the purpose very well and has been approved by the Public Works officers. The cost of acquiring the land is estimated at Rs 1200 in round figure. Considering the monthly rent that Government has to pay and the great inconvenience and insecurity attending the use of the present buildings, I beg that the Board will be pleased to move Government

Government to sanction the construction of a new building on the standard design for the Deputy Tahsildar and Sub Magistrate's office with Sub Jail wards.

I have the honor to be,
Sir,
Your most obedt. Servt,
