- (b) Reforming road from Ramasamudram to Cuddalore further via Chembakur in the North Arcot Dist. Rs 5,750.

Estimate (a) provides for metalling the road for a length of 10 miles & to a width of 12 feet with 3 inches of stone metal & blinding with $1\frac{1}{2}$ " of gravel.

Estimate (b) provides for reforming the road for a length of 7 miles by cutting side drains & throwing the earth on the existing road surface & for metalling for a width of 12 ft with 3" of stone metal & gravelling the surface to a depth of $1\frac{1}{2}$ ". This

This estimate has been slightly increased from Rs 5,700 to Rs 5,750, owing to an error in calculation under the sub-head 'cutting side channels'.
