PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:-

In the sub-registry offices built according to the standard design, at Sriperumbudur and Wallajabad, the windows were not provided with iron bars. At the request of the late Inspector-General, the Executive Engineer has furnished two estimates, for Rs.80 each, for providing iron bars, but states that he has no funds at his disposal for carrying out the work. I have the honour, therefore, to request that Government will be pleased to authorize the Accountant-General to place the necessary funds at the disposal of the Public Works Department, from the provision made in the Budget of this Department, under Petty Construction and Repairs.
