READ—the following papers:—

Proceedings of the Board of Revenue (Land Revenue), Mis. No. 3701, dated 12th August 1896.

Read—the following letter from G. W. DANCE, Esq., Acting Collector of Malabar, to the Secretary to the Commissioners of Land Revenue, Ref. on C. No. 1633/P., dated 23rd July 1896.

I have the honour to forward herewith, for sanction and allotment of funds, the following estimates received from the Superintending Engineer, IV Circle:—

(1) Adding two cells to the Sub-jail at Manjeri	...	...	...	RS.
(2) Do. do. at Angádipuram	...	...	...	2,820
				3,000

A copy of the Superintending Engineer's report on the subject is enclosed. The Government Order (No. 2059 W., dated 19th August 1895) quoted by him has not been received in this office.

2. The estimates have apparently been prepared at the instance of the Police Department. In April 1895, the Inspector-General of Police brought to notice that the accommodation in the Sub-jails at Manjeri and Angádipuram was insufficient, and enquired whether there was sufficient room at those places for the necessary additions to the buildings. In reply he was informed that there was sufficient room, and he was also asked to obtain the sanction of Government for the proposed improvements.

Resolution—Mis. No. 3701, dated 12th August 1896.

The plans and estimates received with the letter read above for providing additional accommodation in the Sub-jails at Manjeri and Angádipuram, are submitted for the sanction of Government.

2. G.O., No. 2059 W., dated 19th August 1895, under which the estimates are stated to have been prepared, does not appear to have been communicated to this office.
