2. It was considered then advisable to obtain funds when the estimate has been sanctioned as at present no materials are available for the preparation of the estimate. In his no. 4194/96 dated 4th June 96 the Collector stated that the new work could be commenced after the work now in progress is completed and after he secured temporary quarters for the correspondence branch of his office elsewhere. Plans and estimates have however been called for from the Delta Sub Divisional officer in my no. 1465 of 6th July 1896 and I have also addressed the Collector to inform me the no. of rooms and approximate floor areas of ^{each} room which he would require to be provided for in the estimate for the new Collector's Quarters and to notify to me of any particular arrangement of rooms which he wishes to be carried out. As soon as the above information is furnished the preparation of the estimate will be put in hand. I have &c
