Encls: 1. Estimate
Sir,

I have the honor to resubmit
for sanction the Estimate for tents returned
with G.O. N^o 3282 dt. dated 14th November
1896. The three small tents are required
to shelter Mr. Patterson's staff of lascars
as well as his servants. The survey operations
are being carried out in a dense jungle
with villages few and far between. Unless
lascars and servants have some sort of
shelter they are certain to be incapacitated
by fever. As the tents were urgently required
they have been already supplied.

I have the honor to be
Sir
Yours most obedient Serv^t

Hannan
