and as the room measures only 15 by 9 feet, it is quite incommensurate. The Deputy Tahsildar himself holds his court in the open hall. He has no private room. The proposed additions will give two more rooms and a compound wall enclosing the vacant space in front of the office. The Compound wall is found necessary to prevent cattle from straying in. The Deputy Collector, Gooty, who personally inspected the office is of opinion that the additions proposed are absolutely necessary and I support his recommendation.
