Item 1 of the draft G. A. represents
the value of English stores indentured
for on account of the P.W. Stores on
in the Home Indent for 1896-97.

The necessary provision of funds
has been made in the current year's
budget. All that is now required
is formal sanction to the
estimate, as the outlay will
otherwise appear as objectionable
for want of estimate.

The second item of Rs 87,000
includes Rs 85,158 being the value
of stores transferred from No. 1 Division
Division. As these charges were in the
first instance debited to Imperial
Funds and as the stores are now

transferred to Provincial Service
 a grant of under the latter head
 is necessary and it has already
 been provided. The balance ~~Rs~~
 is not entirely the value of stores to
 obtained from other Divisions, but in
~~estimate~~ said to be required to meet
 the value of stores to be purchased
 and obtained from other Divisions.
 The General Suptt. P.W. Stores is not
 certain whether he will be required
 to purchase the stores locally or
 obtain them from other Divisions and
 therefore has therefore provided Rs 1842
 in the estimate.
