THE SUPERINTENDING ENGINEER.

FOURTH CIRCLE

SIR,

Exclo:

With reference to your No.
623 dated 30th October 1896, I have
the honor to inform you that the sub
Division officer reports that pensioners
are not available. I am also of
opinion that a pensioner would not
be suitable if one was available.
The watchman has to live on the
premises and look after the garden
as well as the house, and should be
a man who could carry out the
duties required of a gardener or
watchman, if the house were occupied.

I have the honor to be,

Sur,

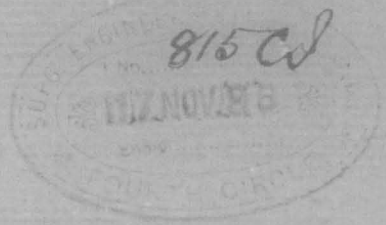

Your most obed^t. servant
