READ—the following paper :—

From N. F. MACKENZIE, Esq., Under Secretary to the Government of India, Public Works Department (Civil Works—Buildings), to the Secretary to the Government of Madras, Public Works Department, dated Calcutta, the 1st December 1896, No. 485 B.

I am directed to acknowledge the receipt of your letter No. 2688 W., dated 21st September 1896, forwarding, for sanction, an application under paragraph 28 (iv), Chapter X, Volume I of the Public Works Department Code, for the reduction of the rent of the old District Munsif's Court at Cumbum. You also enquire whether the rules quoted above apply to cases similar to the one under reference.

2. In reply I am to say that, as the reduced rent proposed is only Rs. 36 while the average cost of repairs is Rs. 60 per annum, the Government of India are of opinion that, if the building is not required for any public purpose, it would be economical to sell it rather than continue to incur a loss for an indefinite period in its upkeep. If, however, there be any possibility of the building being required for a public purpose in the future, there is no objection to its being let to private individuals in the meanwhile at the reduced rental of Rs. 3 per mensem.

3. With reference to paragraph 3 of your letter under reply, I am to point out that paragraph 22 of Chapter X of Volume I of the Public Works Department Code applies only to cases in which a tenant can be got at full rent. Any reduction of rent below the authorized rate requires the sanction of the Government of India under paragraph 28 (vi) of the same chapter.

ORDER—No. 3598 W., dated 14th December 1896.

Communicated to the Superintending Engineer, III Circle, for information and guidance, with reference to G.O., No. 2687 W., dated 21st September 1896.

2 The Superintending Engineer will ascertain from the Collector and other local heads of offices whether there is any possibility of the building being required for a public purpose in the future, and, if not, he will submit proposals for its disposal. Meanwhile it may be let as proposed.
