EXPLANATION OF NECESSITY FOR RE-APPROPRIATION.

- (1). It is proposed to surrender Rs 10,000 assigned for the Deputy Tahsildar's office at Chitvel as the work is not to be commenced vide Chief Engineer's memo no 4209 & of 17.11.96. No liabilities have been incurred on the work.
- (2). More grants for the Rayachoti & Proddatur Taluk offices are required as the estimates for the works have been since revised and as they are to be completed before the end of the current official year.
- (3). As repairs to certain buildings have been found absolutely necessary the existing grant is proposed to be raised.

Letter No: 2127 dated 25th November/96
 regarding Mr. R. Wright Sub-Engineer, in
 charge, Chitvel, to the Superin-
 tending Engineer, III Circle, Bellary.

With reference to your endorsement
 No: 2618 dated 18th November/96, communi-
 cating Chief Engineer's memo no: 4209 &
 dated 17th Idem, I beg to report that, the
 sum of Rs. 10,000 allotted for the Deputy
 Tahsildar's office at Chitvel cannot be
 surrendered, as more funds are required
 for the Taluk Offices at Rayachoti and
 Proddatur, which are now under Construc-
 tion. The necessity for this addition to
 the existing grant for these latter works
 is that the estimates for them have since
 been revised and that they are proposed to
 be completed before the 31st March 1897.
 I beg therefore to enclose an application
 for reappropriation of allotments and
 request that the same may be re-
 commended to Government for
 sanction.
