GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following papers:—

From Lieutenant-Colonel C. C. RAWSON, R.E., Superintending Engineer, V Circle, to the Chief Engineer, Public Works Department, dated Chepāk, 24th November 1896, No. 365 W.

With reference to your No. 3893 C., dated 5th November 1896, I have the honour to forward copy of letter No. 4192, dated 8th October 1896, which the Executive Engineer, Tanjore division, has requested may be substituted for the letter bearing the same number and date, copy of which was submitted with my No. 325 W., dated 10th October 1896.

ENCLOSURE.

From C. H. T. NORFOR, Esq., Executive Engineer, Tanjore Division, to the Superintending Engineer, V Circle, dated Tanjore, 8th October 1896, No. 4192.

I have the honour to inform you that in the exigencies of the service, and at the request of Colonel Smart, R.E., I transferred the assistant superintendent, on Rs. 25 a month, from the Grand anicut to the Kodamurti regulators, and a member of the Conservancy establishment to the Grand anicut for duty as assistant superintendent.

The pay of the assistant superintendent at the Grand anicut is Rs. 25 a month, and, under G.O., No. 3430 W., dated 18th December 1891, rent should be charged him at 5 per cent. of his pay; as, however, the acting man draws only Rs. 17½ a month, I have recovered (provisionally) from him 5 per cent. of this amount for rent for quarters, or annas 14.

I would, under Public Works Code, Volume I, Chapter X, 28 (iii) (c) (1), recommend that all members of the Conservancy establishment drawing less than Rs. 20 a month be allowed to occupy Government quarters free of rent.

My reason for making this recommendation is that such men, for the convenience of their work, are compelled to occupy Government quarters when so provided—which are generally situated in out-of-the-way localities and where there is always a difficulty in procuring provisions—and on their small pay, they can scarcely afford to pay any rent.

Office-note from the Examiner, P.W. Accounts, dated 9th December 1896, No. 4247 D./A.

ORDER—No. 3660 W., dated 19th December 1896.

The recommendation made in the Executive Engineer's letter, of 8th November 1896, is sanctioned.

Sir,

Sir,
I have the honour to inform you that,
in the exigencies of the Service, and at the
request of Col. Smart R.E., I transferred
the Assistant Superintendent, on Rs. 25 a
month, from the Grand Amicut to the
Hodamurti Regulators, and a member of
the Conservancy Establishment to the Grand
Amicut for duty as Assistant Superintendent.

The pay of the Assistant Superintendent at the Grand Amicut is Rs. 25 a month, and, under G. O. No. $\frac{3430W}{18.12.91}$, rent should be charged him at 5 per cent of his pay; as however the acting man draws only Rs. 17½ a month, I have recovered (provisionally) from him 5 per cent of this amount for rent for quar-
-ters, or annas 14 -

I would under P.W. Code Vol. I Chap. X 28. III C(1), recommend that all members of the Conservancy Establishment drawing less than Rs 20 a month be allowed to occupy Government Quarters free of rent.

My reason for making this recommendation is that such men, for the convenience of their work, are compelled to occupy Government Quarters when so provided, which are generally situated in out of the way localities and where there is always a difficulty in procuring provisions - and on their small pay, they can scarcely afford to pay any rent.
