NO.5215 Misc.dated 21st November 1896.

Read the following letter from C.H.Mounsey Esqre.,
Ag. Collector of ~~Chidambaram~~ Salem to the Secretary to the Commis-
sioners of Land Revenue, Madras, Ref. No. 5244-Cur., dated 12th Novem-
ber 1896:-

The Deputy Tahsildar's office at Rasipur, Salem Taluk, and the local police station are located in the same building the latter being so situated that every person who has to go to the Deputy Tahsildar's Kutcherri has to pass through the police station and the Superintendent of Police complained that this causes inconvenience to the police and suggested certain additions and alterations. The walls of a portion of the record room of the Deputy Tahsildar's office are so cracked and in a dangerous state. I addressed the Executive Engineer for his opinion and he says that the building is not worth repairing as it requires extensive repairs and improvements and that it will be cheaper in the end to construct a new building. I recently inspected the building and agree with him. I request that the Government may be moved to instruct the D.P.W. to take steps for the construction of a new building for the Deputy Tahsildar on the standard plan.
