GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

Read—the following papers :—

From Lieutenant-Colonel C. C. RAWSON, R.E., Acting Consulting Architect to the Government of Madras, to the Chief Engineer, Public Works Department, dated Chepâk, 30th September 1896, No. 3380.

With reference to your memo. No. 3244 C., dated 1st September 1896, and G.O., No. 2674 W., dated 19th September 1896, I have the honour to surrender Rs. 585, being the difference between the amount (Rs. 3,000) provided for in the budget for the current official year and the amount (Rs. 2,415) of the present estimate.

No. 3570 C.

For favour of information whether the amount surrendered by the Consulting Architect is correct.

2. There is a provision of Rs. 3,000 in the current year's Excluded Local budget for repairs to the Senate House, besides the sum of Rs. 2,415 placed at the disposal of this department by the Registrar of the Madras University—*vide* memo. No. 3224 C., dated 1st September 1896.

13th October 1896.
(Signed) D. McNEIL CAMPBELL, Colonel R.E.,
Chief Engineer.

Office-note from the Examiner, Public Works Accounts, dated Madras, 24th October 1896, No. 3172 D./B.

[Your office-note No. 3570 C., dated 13th October 1896.]

The grant for the work "Repairs to Senate House" now stands at Rs. 5,415 in the books of this office as per particulars in the margin. The amount that should be surrendered by the Consulting Architect is therefore Rs. 3,735 * and not Rs. 585 as proposed by him in his letter forwarded with your office-note quoted above, Rs. 2,415 only being required for expenditure or Rs. 3,006 only including charges for establishment and tools and plant.

Office-note from the Consulting Architect to Government, dated Madras, 24th November 1896, No. 4304.

[Your office-note No. 4259 C., dated 19th November 1896.]

The Examiner has apparently taken both the amounts (Rs. 3,000 provided in the Provincial budget estimate and Rs. 2,415—*vide* memo. No. 3224 C., dated 1st September 1896), as the grant for the repair work. The sanction accorded in the latter virtually cancels the provision in the budget estimate. In this sense, therefore, it was thought the difference between Rs. 3,000 and 2,415 or Rs. 585 should be surrendered. Formal orders withdrawing the provision (Rs. 3,000) in the budget now regularize the transaction.

Order—No. 3681 W., dated 23rd December 1896.

In the Excluded Local fund budget estimate for 1896–97, a sum of Rs. 3,000 was provided for repairs to the Senate House, Madras. In his letter No. 677, dated 11th August 1896, the Registrar of the University sanctioned a further allotment of Rs. 2,415 for the same work. As the Consulting Architect reports that the latter amount only is required for expenditure during the current official year, the budget grant of Rs. 3,000 or Rs. 3,735, inclusive of establishment and tools and plant charges is withdrawn and replaced at the disposal of the Registrar.
