The actual realizations on account of Income tax from members of the P.W.D. Madras including Railway Surveys and Works Establishment to end of September 1896 (i.e.) for the first 7 months of the year amount to Rs. 23,264.

2. Basing the calculations on the above figure for the remaining portion of the year and taking into consideration that the recoveries under this head will decrease to some extent in consequence of the closure of the Arsikeri-Mangalore Railway Survey, the revised estimate for 1896-97 may be taken at the round sum of Rs. 39,500.

3. The budget estimate for 1897-98 may in my opinion be fixed at Rs. 39,000. The amount actually recovered during 1895-96 was Rs. 43,265-2-4.
