FINANCIAL DEPARTMENT.

Read—the following paper :—

From F. C. HARRISON, Esq., Officiating Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 15th January 1896, No. 63.

With reference to Article 1525 of the Civil Account Code, I have the honour to submit the accompanying printed Civil Budget Estimates of Revenue and Expenditure of this Presidency for 1896–97, and to state that the balance at credit of Provincial Services, which stood at Rs. 38,60,000 in round figures on 1st April 1895, will, according to these estimates, be reduced to Rs. 38,52,000 on 31st March 1896 and to Rs. 20,64,000 on the 31st March 1897.

Order—No. 47, Financial, dated 17th January 1896.

The estimates will be forwarded to the Government of India.

Read the following Proceedings of the Board of Revenue, Separate Revenue, Mis. No. 5115, dated 2nd December 1895 on the following letter from the Gollector of -- Malabar dated 6th November 1895, Ref. on C. No. 1334/S C D of 1895:----

In G. O. No. 1323 W., dated 28th May 1894, the Executive Engineer was called upon by Govefnment to prepare an estimate for constructing a warehouse at Beypore. A site plan was accordingly prepared by him. It was then pointed out to him that the warehouse intended for Beypore should be constructed at Ferok, as it was considered to be the best place owing to its proximity to the Railway station and proposals were submitted for declaring Ferok to be a subport of Beypore. When Ferok was accordingly declared a subport, the Executive Engineer was requested to select a site for the warehouse. As he met with some difficulty in selecting a site the place was inspected by the Assistant Collector in Charge of Customs and a site near the Railway wharf at Ferok was selected by that officer. The Agent and Manager of the Madras Railway was then requested to allow the use of this site, but he expressed his inability to its grant and suggested that the warehouse may be buil at the spot marked M. in th enclosed plan. He also stated that the Railway Company would undertake to build the warehouse there provided that Government would agree to pay 7½ % per annum on the outlay to cover interest and its maintenance and agreed to have the estimates prepared.

The Executive Engineer was accordingly requested to give his opinion as to whether the Agent and Manager's proposal may be accepted and in reply he stated that

PROCEEDINGS OF THE MADRAS GOVERNMENT.

---:---

Read the following Proceedings of the Board of Revenue, Separate Revenue, Mis. No. 5115, dated 2nd December 1895 on the following letter from the Gollector of -- Malabar dated 6th November 1895, Ref. on C. No. 1334/S C D of 1895:----

In G. O. No. 1323 W., dated 28th May 1894, the Executive Engineer was called upon by Government to prepare an estimate for constructing a warehouse at Beypore. A site plan was accordingly prepared by him. It was then pointed out to him that the warehouse intended for Beypore should be constructed at Ferok, as it was considered to be the best place owing to its proximity to the Railway station and proposals were submitted for declaring Ferok to be a subport of Beypore. When Ferok was accordingly declared a support, the Executive Engineer was requested to select a site for the warehouse. As he met with some difficulty in selecting a site the place was inspected by the Assistant Collector in Charge of Customs and a site near the Railway wharf at Ferok was selected by that officer. The Agent and Manager of the Madras Railway was then requested to allow the use of this site, but he expressed his inability to its grant and suggested that the warehouse may be built at the spot marked M. in th enclosed plan. He also stated that the Railway Company would undertake to build the warehouse there provided that Government would agree to pay 7½ % per annum on the outlay to cover interest and its maintenance and agreed to have the estimates prepared.

The Executive Engineer was accordingly requested to give his opinion as to whether the Agent and Manager's proposal may be accepted and in reply he stated that there expressed his inability to grant the site and suggested another place marked M on the plan. He also stated that the Railway Company would undertake to build a warehouse for th use of the Customs Department, if Government would pay 7½ % per annum on the outlay to cover interest and maintenance charge.

4. The Executive Engineer estimated the cost of constructing a warehouse at Rs 3,860. The Railway Company furnished two estimates one for Rs 2,334 and another for Rs 342 the increase in the latter estimate being due to its providing for a platform and roof over the adjoining line of rail-way. The Agent and Manager of the Madras Railway and the Collector recommend~~ed~~ the second plan. The Executive Enginee has no objection to the Railway Company's proposal. The Board recommends the proposal and the second plan for the approval of Government.

ORDER thereon. No. 22I Mis. d/ 18th January 1896.

The Board's recommendation in para 4 of its Proceedings read above is approved and sanctioned.

2. The estimate for a warehouse at Beypore called for in G. O. No.1323 W, dated 28th May 1894 is no longer necessary.
