Proceedings of the Committee appointed to
settle the water level of the Subbarunka Tank
in His Highness the Nizam's Dominions and the
Linga Samudram Tank water supply held at
Dumbara on ~~the~~ 2nd February, 1896.

Present

J.E. Paul Esquire, Executive Engineer, Godavari,
Western Div.

2. Mr. K. Rustom Lingam Rao Bahadur, Dy
Collector in charge of the Head asst Collector's
Div., Godavari.

3. Maheeraj Barzouja Esq., Dist Engineer,
Nalgonda.

4. Mustiuddin Esq. H.C.S. Asst Commissioner
of Survey & Settlement, Warangal Dist.

S. Habibuddin Esq. H.C.S. 2nd Talukdar,
Warangal Dist.

It was resolved unanimously that
the F.T. level of the Subbarunka be
reduced to one foot below the platform
of the present masonry weir and a
masonry by-wash be constructed by His
Highness the Nizam's Govt. at the western

end of the above named Tank

2. It was unanimously resolved that if the ancient Summela aicut be reconstructed and the feeding channel leading to the Lingasamudram Tank be restored, the channel should not pass through the irrigable lands below the Subbikunta in His Highness the Nizam's Dominions, and with a view of any suggestions to be made by His Highness the Nizam's Govt, the designs shewing the alterations if any be sent to His Highness the Nizam's Govt before undertaking the project by the British Govt.
3. Resolved unanimously, that no land in the British Territory be irrigated in future by the Subbikunta Tank water.

2nd February 1896.

FROM V. A. Brodie Esquire.
COLLECTOR,
Godavari District,

TO The Secretary to the Government
Public Works Department

SIR,

With reference to G.O. No 414 J Public Works, dated 16th May 1895, I have the honor to report that Mr J. E. Paul, Executive Engineer, Godavari Western Division, and Mr K. Rustum Sing Jarn Rao Bahadur, Dy Collector in charge of the Head Asst Collector's Division, met on 1.2.96 & 2.2.96 on behalf of this Govt, the officers, deputed by His Highness the Nizam's Govt for the settlement of all matters connected with the question of the water supply to the Lingasamudram Tank and the enlargement of the Subbikunta Tank. The conclusions finally arrived at by all these officers were drawn up in the form of a programme, in duplicate.

Signatures of all the officers deputed.
A copy of the proceedings is enclosed
for the information of Government.

2. In view of the conclusions finally
arrived at, I have instructed the Dy
Collector, Moore River, to serve a notice
on Mr. Burchayya and others owning lands
in & above the water spread of the Linga
Samsudram tank, warning them not to
convert their "dry" lands into "wet" by
the water of the Subbikunta tank on
pain of severe penalties. The Executive
Engineer, Western Dy., will also be addressed
in view to the Public Works Department
considering the feasibility of restoring
the ancient aqueduct in the Tammitern
and the old "nallah" (supply channel)
of the Linga Samsudram tank.

I have the honor to be
Sir,
your most obedient servant
Col. C. A. Brodie
Collector
