Sir,

I have the honor to report that in
G.O. No. 8594 dated the 30th March 1894, I was
directed to prepare an estimate for constructing
a photographic room for the Survey office
in the hired premises in the Mount Road. I
have now received a requisition for removing
and erecting the same in another private
building recently vacated by Messrs Spencer
& Co., the cost of which will amount to about
Rs 700/- and can be carried out from the grant
for Repairs.

As the work is of a very urgent
nature early orders are solicited if this office
is to execute ^{carry it out} the work.

I

I have the honor to be
Sir
Your most obedient servant
Henry Irvine
Consulting Architect
to Government.
