

No 483 W of 8th Feby 1896.

Public Works Department.

Note for His Excellency the Governor.

When Mr. Garrett asked by telegram on the 25th November, if he might take a house at Waltair, it was presumably with the object of inquiring whether the transfer of his head quarters to that place had been sanctioned, and consequently whether he could safely secure a house with a view of establishing himself there. The message was so read in the Secretariat, and the answer was therefore "yes". G.O. No. 2993 W. dated 25th November 1895 had then been passed, but it had not been despatched. Mr. Garrett must have known that Government would not pay rent for his private house at Waltair, and it is only reasonable that he should pay rent for the Government building at Dowlaishweram up to the date on which he vacated it.

He now bases his claim for a refund of rent for the Waltair house for one month, on this office telegram of 25th November, but his request is clearly inadmissible.

In G.O. No 2993 W

proposals for locating
his office at Waltair,
he was told that the

His wife of 25-11-95
