Executive Engineer's office,
Coimbatore Division,
Coimbatore, 8th January 1896.

From,

H. A. O'Connell, Esq.,
Executive Engineer,
Coimbatore Division,

To, The Superintending Engineer,
Fourth Circle, Coimbatore.

Sir,

With reference to your N^o 262, dated
29th July 1895 forwarding G.O. N^o 1737 W, dated
15th July 1895 regarding the revision of rents
of such buildings as are affected by the
introduction of standing order No 42, dated
17th May 1895, I have the honor to state that
the rents of all buildings in this Division
were fixed in G.O. No 1683 W, dated 6th July 1894.
From the statement it will be observed that
the cost of site has been included in the
Capital cost of all the buildings except
those that were purchased and I am now
unable to find out whether the cost of site
entered in column 8 of the statement was
actually incurred or not. From what
can be traced from the records, I am
of

of opinion that the cost of site entered
in the L.O. quoted above, has been arrived
at by approximate valuation. The date
of erection of many buildings is unknown
and those that are known were constructed
so far back as 1867 that a reference to
accounts is rendered rather impracticable.
This matter was brought to the notice of
the Examiner, P.W. Accounts, and he was
of opinion that the rates of rent as at
present charged should remain un-
altered, and suggested a reference to
Government. I therefore request you will
kindly submit the case for the orders
of Government.

I have &c,
(Sd) Hugh O'Connell,
Executive Engineer.
