Office of the Consulting Architect to Govt.,
Chepauk, Madras,
21st December 1895.

No. 3779

From
Henry Irwin, Esq., C.I.E.,
Consulting Architect
to the Government of Madras,

To
The Chief Engineer
Public Works Department

Sir,

Enclosures.

I have the honor to bring to notice the very satisfactory manner in which Mr. Overier Gurnasamy Aiyar has carried on both the repairs and new works in connection with the Government House building at Madras and in order to get these works finished in time for the Viceroy's visit, has often had to keep his workmen employed all night.

2. He has an important charge comprising the Government House building, the P. W. D. buildings in the Fort, the old High Court buildings, the old Stamp Office, the Marine and the Bandmen's quarters and as he is managing these very satisfactorily, I have much pleasure in

recommending that he be promoted from
Sub overseer 2^d grade to Sub overseer 1st
grade and should my recommendation
meet with your approval, I request that his
promotion may take effect from the 1st
Instant.

3. It may be added that the duties
entrusted to the Sub overseer are equal to
those ordinarily done by an overseer and
should therefore be in charge of at least
a sub overseer 1st grade.

I have the honor to be

Sir

Your most obedient servant.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

Endorsement of the Public Works Department No. 3752C dated 29th November 1895.

Order No R.267 dated 20th December 1895.

The following temporary exemptions from the examination rules are sanctioned—

- (1) T.R. Dharmalinga Mudali from 27th February ¹⁸⁹⁵ to 31st December 1895,
- (2) C. Kothandapani Mudali from 8th January 1895 to 11th September 1895,
- (3) C.V. Madhava Rao from 25th April 1895 to 31st December 1895.

2. The Government desires that every effort should be made to obtain qualified men to fill vacancies in the Cuddapah District. It is aware that there is considerable difficulty in doing this, but this difficulty can hardly be held to be an insuperable one.
