READ—the following paper :—

From the Director-General of Telegraphs, to the Joint Secretary to the Government of Madras, Public Works Department, dated Calcutta, 28th January 1896, No. 8849.

With reference to your letter No. 2458 W., dated the 5th of October 1895, I have the honour to confirm my telegram marginally quoted, and to add that, should the offices named prove unremunerative after a year's trial, it may be necessary for me hereafter to ask for a guarantee of Rs. 2,000, but I am of opinion that this is not likely to be the case.

Your 2458, 5th October. I will undertake the extension of the telegraph line from Bódináyakkanúr to Thekadi with offices at Chinnamanúr, Uttamapálaiyam, Cumbum and Thekadi without guarantee experimentally. Work will be ordered at once. Letter follows.

2. I hope this extension will prove useful to the Public Works Department and to the district generally.
