Masonry Tank

Estimate of Rs. 143 for constructing a — in the compound of the Government Observatory at Madras, sanctioned; and the Superintending Engineer, V Circle, directed to provide funds for the work by transfer from the current year's grant for agricultural works in his circle.

GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Irrigation.
Account.

READ—the following papers:—

From G. S. T. HARRIS, Esq., Consulting Architect to Government, to the Chief Engineer for Irrigation, dated Madras, 12th June 1897, No. 669.

In reply to your letter, No. 176 M., dated the 20th ultimo, I have the honour to submit a plan and estimate amounting to Rs. 143 for constructing a masonry tank in the compound of the Government Observatory at Madras.

If the estimate is sanctioned, I request that funds may be placed at my disposal as I have no funds at my disposal.

ENCLOSURE.

REPORT and specification to accompany the plan and estimate for constructing a masonry tank in the compound of the Government Observatory, Madras.

Amount of estimate RS.
143

[Reference — Chief Engineer for Irrigation's letter No. 176 M., dated 20th May 1897, bearing C.A. No. 558, dated 2nd June 1897.]

At the request of the Chief Engineer for Irrigation the accompanying estimate has been prepared for constructing a masonry tank in the compound of the Government Observatory, Madras. The Government Astronomer suggested that fencing be erected around the tank, which also has been included in the estimate.

Specification. — The work will be carried out in accordance to the standard specification of the Public Works Department and finished off in a workman-like manner.

(Signed) P. MAHONY,
Assistant Engineer.

No. 129 I.

Note by the Chief Engineer for Irrigation.

At present there being no very reliable observations of evaporation available, it is proposed to have a tank, for experiments, constructed in the Observatory compound. The estimate of Rs. 143 submitted for the work by the Consulting Architect to Government is approved and recommended for sanction.

The Astronomer has undertaken to make the observations.

15th June 1897.

(Signed) W. HUGHES,
Chief Engineer for Irrigation.

ORDER—No. 578 I., dated 25th June 1897.

The following estimate is sanctioned:—

	Irrigation.	
43.	Minor Works and Navigation.	
	Agricultural Works.	
	Original Works.	
	Constructing a masonry tank.	RS.
Estimate	...	143

2. This sanction is registered as No. 46 I. of 1897-98.

3. The Superintending Engineer, V Circle, will provide the funds required by the Consulting Architect for expenditure on the tank by transfer from the current year's grants for agricultural works in the V Circle.

(True Extract.)

(Signed) W. HUGHES,
Joint Secy. to Government,
Irrigation Branch.

To the Chief Engineer for Irrigation, with five enclosures.

- " Consulting Architect to Government, V Circle.
- " Superintending Engineer, V Circle.
- " Examiner, Public Works Accounts.
- " Government Astronomer.
