Grand total ... 2,01,216

No. 367 I. of the same date, and with reference thereto, to communicate the sanction of the Government of India to the three estimates, amounting, in the aggregate, to Rs. 2,01,216, including establishment charges, as detailed in the margin, for constructing a new head-sluiice and improvements to basin between the old and new head-sluiices at Seetanagaram, Northern division, and for constructing seven cattle-crossings, Western division, Kistna delta system, chargeable to the Capital account of the system.

2. I am to add that if the new head-sluiice at Seetanagaram is to take the place of the old one, the rule in Public Works Department Code, Volume II, Chapter V, paragraph 37, should be applied.

3. The sanction accorded in paragraph 1 of this letter has been registered as No. 6 I. of 1897-98, and the plans and estimates forwarded with the Proceedings of the Madras Government under acknowledgment are returned herewith.

ORDER—No. 580 I., dated 25th June 1897.

Communicated to the Superintending Engineer, II Circle, with reference to G.O., No. 366 I., dated 13th April 1897.

2. With reference to paragraph 2 of the foregoing letter, it is observed that the new sluiice is intended to take the place of the old one, should the latter develop further serious cracks (*vide* Proceedings of Madras Government, No. 112 I., dated 3rd February 1896). In his letter, No. 2324 K.N., dated 19th November 1896, the Superintending Engineer, II Circle, reported that the actual cost of the existing head-sluiice cannot be traced from the records of his office, but that it may be valued

approximately at Rs. 50,000. This valuation is approved and the amount will be written-back by the Examiner of Public Works Accounts from the Capital to the Revenue account of the Kistna delta system, in accordance with the ruling quoted by the Government of India.

3. The sanction accorded by the Government of India is registered as No. 47 I. of 1897-98.
