Office Note from the Examiner, P.W. Accounts, No. 129 C.d/18th Feb. 96.

It is observed that the method of calculating rent chargeable for residences of Executive Engineers is under reference to the Government of India, and as the decision may affect the amount of the offer made for --- Colonel Drake-Brockman's bungalow at Tanjore, His Excellency the Governor in Council directs that no action be taken on G.O. 139 W. dated 14th -- January 1896 pending receipt of the orders of the Government of India on the reference which has been made.

EXAMINER, P. W. ACCOUNTS,

Madras, 18 February 1896.

OFFICE NOTE No. 129. C

To

W.

With reference to G.O. No. 139 W
dated 14th. January 1896, sanctioning the
purchase of Colonel Drake Brockman's house
at Tanjore for a total cost of
Rs. 16,000, I beg to point out that the
normal rent of the building calculated
on the capital cost would amount
to Rs. 64 $\frac{1}{3}$ as shown below:-

Capital Cost.....	Rs. 16,000
(1) 4% on capital cost.....	Rs. 640
(2) Estimate for repairs including Municipal taxes. O.N. No. 2921 C. dated 8th. October 1895.....	Rs. 120
(3) 10% on (2) for Establishment & Tools and Plant.....	Rs. 12
Total per annum	Rs. 772

Rent per mensem Rs. 64 $\frac{1}{3}$ and this would be within the rent assessable in the case of Executive Engineers on the special list.

2. But if on the other hand the calculation be based on the difference between the salary of an Executive Engineer, 1st. Grade Imperial, and

Executive Engineer, 3rd. Grade Provincial
 (1000 + 475) the centage would amount
 to Rs. 59, which is less than the normal
 rent of Rs. 64 $\frac{1}{2}$. Sanction of the Govt. of
 India would then be necessary to the pur-
 chase of the building.

Ans: Rs. 2-56.
