Letter from the Executive Engineer, Kistna
Eacham D^o, to the Supg Engineer, ^{2nd Circle},
d/12th January 1896, N^o 4272. 17 1896

With reference to your N^o 40 of 5th
April 1894 to the address of the Executive
Engineer, Lake Gudimada D^o, regarding the
correct date of entertainment in the service
of H. Venkataratnam, now Head Lascar,
Cowtaram lock. I have the honour to
resubmit herewith his service book
together with the statements of his contempor-
ary servants noted in the margin.

2. The date of his entertainment
as per his service book is November 1873
but he states that he was continuously
employed from February 1873. The contemporary
statements show that H. Venkataratnam
and Gynappah were entertained, at
the same time in service. The service
book of the latter shows the date of
his entertainment as February 1873.

3. According to the service book of
H. Venkataratnam, his service was
calculated to be less than 20 years and
he was transferred to the work es-
tablishment from 21st July 1893, under
orders contained in G.O. No 840^W dated
28th March 1893 while Lascar Gynappah
who is said to have been entertained
on the same date is borne on the
permanent establishment. In these
circumstances

* Mohan Jacob - Lascar
D. Gynappah - Lascar at
Komatigummet
H. Venkaram - Lascar
R. Gynappah - Lascar Panam

Circumstances K. Venkataratnam requested earnestly that his case may be kindly gone into and justice done.

4. I have, therefore, to submit this case which is really a very hard one, for your favourable consideration and to request that you will be good enough to forward these papers to the Enamies, P.W. Accounts, for verification of the Lascar's statement regarding the correct date of his entertainment from the Acquittance Rolls and other records which may be in his office. This is a departure from the general rule that no papers of an officer should be submitted to the Audit Officer for a decision upon some doubtful questions affecting his prospects of pension until he actually retires, but the question involved being one in respect to the correct date of an officers entertainment in public service or the decision of which his present status in the Department whether permanent or temporary work establishment depends it may I think be allowed as a special case.

January 1894 for favour of obtaining
the sanction of Government for reckon-
ing the Services of Lascar K. Venkata-
ratnam at Rs 8/- as over 20 years
on the strength of the statements of
his contemporaries in the absence of
records in both the Executive and
Supg: Engineer's Offices.

2. The Enamies P.W. Accounts,
has stated that there are no records
in his office to verify the Services of
the Lascar.

3. From the service register it appears
that the Lascar was entertained in
November 1873 whereas from the state-
ment of contemporaries, it is stated
that he was entertained in Febry: 1873
and the difference between the two
periods of service is only 8 months.
