SIR,

In continuation of this office letter

N. 103 dated 14/12/43, dated 14th February 1896.

18/2/96.

I have the honor to forward 2 estimates received this day from the Superintending Engineer, 2nd circle, for clearing the silt out of the tidal creek at Masulipatam. One is for Rupees (2,300) two thousand three hundred for carrying out the work with the aid of dredgers, and the other for Rupees (1,350) one thousand three hundred and fifty for doing it by means of manual labor. I have countersigned the former for sanction of Government and for

Current No. 1762

Letter No. 815

Dated 20th February 1896

From the Marine Department

NOTE BY TECHNICAL SECTION.

Name of work. Clearing silt out of the tidal creek at Masulipatam

The Presidency Port officer submits two estimates for clearing silt out of the tidal creek at Masulipatam, one estimate amounting to Rs 2300 for carrying out the work with the aid of dredgers & the other estimate amounting to Rs 1350 for carrying out the work by manual labor.

The rates cannot be checked.

The estimate amounting to Rs 2300 has been countersigned by the Presidency Port officer for the sanction of Govt. owing to the work being of a very urgent nature.

This estimate -
may be
sanctioned. But it
should be fixed & the
work is
commenced
